

Episode 4: The Eternal Hope

Craft: Crown of Hope

In this final episode, Ella and Sam learn about Jesus' return and the promise of a future filled with hope. You can make your own crown to remind you that Jesus is our King and that He's coming back one day to make everything new.

Materials Needed:

- Paper or cardboard
- Scissors
- Crayons, markers, or paint
- Aluminum foil
- Tape or glue
- Optional: Stickers or glitter

Instructions:

1. Cut a strip of paper long enough to fit around your head.
2. Decorate the strip with words like "Hope" or "Jesus is King" and add stars or crosses.
3. Cut small pieces of aluminum foil and glue them to the crown to make it shine.
4. Tape or glue the ends of the strip together to make a crown and wear it as a reminder of the hope we have in Jesus.
